This addendum is necessary to amend the following. The last sentence in the specific purpose is being deleted as it was added in error.

- a) Specific Purpose of the Regulations and Factual Basis for Determination that Regulations Are Necessary

Section 47-301.91 et seq.

Specific Purpose:

These sections are added to direct CWDs to terminate payments to the child care provider and to notify parents and the child care provider of the termination within two business days of being informed that the child care provider's license has been revoked or temporarily suspended.

Factual Basis:

These sections are necessary to implement Section 8212(e) of the Education Code, which was amended by AB 72 (Statutes of 2004, Chapter 358) and became effective on January 1, 2005. Education Code Section 8212(e) states that within two days of being notified of a revocation or a TSO for a licensed child care provider, the child care program must terminate payments to the provider and notify each parent and the provider in writing that payments have been terminated and the reason for the termination.
